

Birthday Card Surprise by Wolfgang Riebe - Video - DOWNLOAD

Another killer close-up packet card trick from the creative mind of Wolfgang Riebe!

3 blank cards are shown and a spectator is asked to write their name and a picture on one of the cards. Suddenly the freely drawn name/picture magically appears all 3 cards. And now for the kicker surprise... suddenly ALL cards have HAPPY BIRTHDAY written on them!

A completely unexpected surprise and an incredibly personal, magical birthday greeting! Of course you can have any message written on all 3 cards at the end too - it's all up to you!
