

Comedy Fillers 200 Quips & One-Liners by Wolfgang Riebe - eBook - DOWNLOAD

Are you a magician, comedian, speaker, entertainer, or anyone who interacts with an audience?

Do you have moments in your show/presentation that are quiet? Do you feel you need just one quip, joke or one-liner joke that would break the silence and add much needed humor?

Here are 200 short jokes and witty comments covering a wide variety of topics that are ideal to add into any show and help with continuity. The book is called "Fillers" because that is exactly what these jokes are... filler material to keep your show running smoothly and put smiles on the faces of your audience.

This book consists of a collection of jokes sourced from books, the Internet and fellow entertainers and can quite easily be sold as a joke book on its own. However, it is so much more!
