

Takumi Takahashi Teaches Card Magic - Branded - Video - DOWNLOAD

A chosen card appears on your arm as a tattoo!

Show all the cards to be different, and shuffle the deck. Your spectator cuts the deck anywhere they'd like, and the card they cut to is tabled. Show your arm to be clean. With some magical flourishes, show your arm again, this time tattooed with the name of a card! Turn over the spectator's card - it matches your arm's tattoo perfectly!
