

Takumi Takahashi Teaches Card Magic - Bare Hand Aces Production - Video - DOWNLOAD

Produce the four Aces out of thin air!

A fabulous and FAST production that looks so magical, your spectators will gasp in amazement!

"Takumi has surpassed me"

- Lennart Green, World Champion Close-up/Card magician

Prepare to learn card magic like you have never imagined!

Really! You will swear that these are camera tricks!

You might know Takumi Takahashi as a student of the legendary Lennart Green.

However, Takumi has created his own unique style of magic that is super visual. He will reveal his amazing methods in this exclusive tutorial! For the first time ever, Takumi teaches you refined routines that come from his own personal repertoire!!

Don't expect to master these techniques in 30 minutes. These effects WILL require practice. But it will be so worth it!

Download the video and learn!
