

## **Takumi Takahashi Teaches Card Magic - One Hand Production - Video - DOWNLOAD**

The ultimate one-handed card production from the middle of the deck! This looks unbelievable!

"Takumi has surpassed me"

**- Lennart Green, World Champion Close-up/Card magician**

Prepare to learn card magic like you have never imagined!

Really! You will swear that these are camera tricks!

You might know Takumi Takahashi as a student of the legendary Lennart Green.

However, Takumi has created his own unique style of magic which is super visual, which he will reveal in this exclusive tutorial! For the first time ever, Takumi teaches you refined routines that come from his own personal repertoire!!

Don't expect to master these techniques in 30 minutes. These effects WILL require practice. But it will be so worth it!

Download the video and start learning now!
