

Takumi Takahashi Teaches Card Magic - Top Shot - Video - DOWNLOAD

Learn Lennart Green's Top Shot production from his master class student!

The spectator selects a card, which is inserted back into the deck. The magician finds it by literally shooting it out of the deck! Looks incredible and impossible!!
WOW!

"Takumi has surpassed me"

- Lennart Green, World Champion Close-up/Card magician

Prepare to learn card magic like you have never imagined!

Really! You will swear that these are camera tricks!

You might know Takumi Takahashi as a student of the legendary Lennart Green.

However, Takumi has created his own unique style of magic that is super visual. He will reveal his amazing methods in this exclusive tutorial! For the first time ever, Takumi teaches you refined routines that come from his own personal repertoire!!

Don't expect to master these techniques in 30 minutes. These effects **WILL** require practice. But it will be so worth it!
