

## **Takumi Takahashi Teaches Card Magic (Complete Project) - Video - DOWNLOAD**

"Takumi has surpassed me"

**- Lennart Green, World Champion Close-up/Card magician**

Prepare to learn card magic like you have never imagined!

Really! You will swear that these are camera tricks!

You might know Takumi Takahashi as a student of the legendary Lennart Green.

However, Takumi has created his own unique style of magic that is super visual. He will reveal his amazing methods in this exclusive tutorial! For the first time ever, Takumi teaches you refined routines that come from his own personal repertoire!!

Don't expect to master these techniques in 30 minutes. These effects **WILL** require practice. But it will be so worth it!
