

April 2018 Lecture Notes by Sandro Loporcaro (Amazo) - Video - DOWNLOAD

In this video, Amazo demonstrates and teaches fabulous magic from his lecture in Italy. He also explains, for the first time, three new effects including:

- **New jumping knot:** the first knot disappears from the rope, while the second one jumps off the rope.
- **Ghost candle:** a candle, after levitating, disappears into nothingness in its flames.
- **Black hole for ball:** a ball placed in the black hole mysteriously disappears.
