Sure Fire Electric Chairs by Paul Roberts - Video - DOWNLOAD

Here for the first time on download is **Paul Roberts's** version of the famous **ELECTRIC CHAIRS** routine.

A number of spectators are chosen at random and asked to sit on normal chairs. The magician then has the ability to control them with a series of shocks leading to their performing a whole host of strange things.

This can be performed on stage or in a parlor situation, and the method is incredibly clever and deceptive!
