Meet the man behind the brilliant "Pearl's Coin," "Lumber," and "Pincredible." It's none other than **Mr. Pearl!** With over 10 years of experience as a bar magician, and now working as Korea's only magic magazine editor, **Mr. Pearl** has some tricks up his sleeve. He brings a collection of unique close-up routines that you will absolutely add to your magic repertoire. Prepare to fully emerge in **Mr. Pearl's** brilliant magic right here, ***At The Table***. Here's what you'll learn:

Simple Triumph: A simple yet effective Triumph routine.

Coin Division: Make 4 coins appear in the most visual way possible! Perfect for show openings!

OP Matrix: A coin is placed in each of the four corners - they then miraculously move to one corner.

Coin and Glass: A cup and coin routine using 4 coins.

Lumber: An Out Of This World variation using poker chips.

No Dice Mystery: Predict the spectator's chosen card with nothing but a single die.

Oracle: The 1st spectator accurately predicts the 2nd spectator's randomly chosen card.
