

## Colin Underwood: Street Smart Magic Series - Episode 1 by DL Productions (South Africa) - Video - DOWNLOAD

In this exciting new HD download series, Colin Underwood shares his handlings on some of the classic effects in magic. These are worker effects that have been audience tested and refined through years of performing.

You will learn:

- Signed Card to Box - Colin's version of the signed card to clear box... with an ungimmicked box!
- Torn and Restored Card - A smooth and justified handling of this classic effect.
- Bonus: Poker Chip moves & sleights.

- All effects require a PK R\*\*\*.

*"Seeing Colin Underwood work the streets of South Africa with this material was incredible! The routines and ideas shared in this download will certainly get your creative juices flowing!"*

- **Bryan Miles**

*"I grew up watching Colin busk at the V & A Waterfront in Cape Town. He is a truly diverse performer; I'm glad he is finally sharing his ideas with the magic community."*

- **Rodney McCormick**

*"Colin is a superstar in the world of South African magic. With probably more performance experience than all other local performers combined, I've seen him wow audiences everywhere from cruise ships to malls in Dubai. An instinct for what makes good entertainment, and a heart of pure gold, any magic product he releases is sure to be jammed with real-world gems - highly recommended."*

- **Jacques le Sueur**

*"Colin is an energetic innovator of comedy and magic with a wealth of experience and a sharp sense of humor!"*

- **Trevor Duffy**

Full HD | Over 1 hour | Full live performances included | Bonus: Poker Chip
