

My Own Spellbound by Alessandro Criscione - Video - DOWNLOAD

It is with pride that I introduce you to my Spellbound routine, now completed.

In 2016 it had a curious name, or true "Skybound." But besides the name, the routine was very long and boring. After a few years, I completed the routine with some innovative measures.

Now I am more than satisfied with this visual routine, and I am happy to share **My Own Spellbound** routine with anyone who wants to add it to their repertoire. So what are you waiting for?
