

The Vault - The Mysterious Puzzle of the Missing Dollar Bill by Nicholas Einhorn - Video - DOWNLOAD

Three guys go out for lunch. They pay. Yet each time they count their change, there is a missing dollar bill. So, they try it again. Another dollar is found missing. Each time they count the total dollars, one always goes missing.

Nick Einhorn (winner of *Penn & Teller: Fool Us*) breathes life into a classic riddle that you have to see to believe. Count the dollars, one is missing. Count again, there goes another.

It's a smashingly fun puzzle that you will show at dinner parties and gatherings, where they will scratch their heads in disbelief. Open and honest deception has never been so much fun.

- Works in all currencies
