

Un-Tucked by Chris Annable - Video - DOWNLOAD

Un-Tucked will allow you to perform astounding visual effects! It is a low cost, easy-to-assemble gimmick that is constructed using common materials.

With this versatile utility device, you can do the following:

- Card stealing and loading
- A slow color change
- Vanish and Transpo routines
- A melt effect
- Use it as a pocket hold-out device

Included is a comprehensive PDF guide on assembling the gimmick and a high-definition video full of effect techniques and performance tips.

Download and learn how to perform these amazing effects.
