

iGNiTER by Arnel Renegado - Video - DOWNLOAD

iGNiTER is a self-igniting lighter, where you just hold it and it ignites itself.

iGNiTER is a new prop you can make that can enhance the magic every time you are using it. Imagine you want to make a coin appear in your hand and you are holding flash paper. Watch the lighter ignite itself and the coin magically appears! Use it as a stand-alone or as additional props on all of your performances.

Gimmick is:

- Easy to make
- Easy to use
