

The Vault - The 3 Words of Wizardry by Losander - Video - DOWNLOAD

The most subtle and convincing levitation of them all!

From the creative mind of The Modern Day Levitation Wizard, Losander, comes a new routine that will leave a true impression.

By explaining why magicians use magic words and gestures to make the magic happen, you demonstrate in real time the 3 steps and levels of magic and how it manifests itself.

Demonstrating the power of words, gestures and the ultimate mastery of manifestation, magic through the power of pure thought. A wonderful presentation and a great impromptu routine can be done with anyone's business card or playing card, and it will surely create a memorable experience.
