

## Tic Tac Mini + Riptac 2.0 by Arnel Renegado - Video - DOWNLOAD

**Tic Tac Mini** is an effect where you rip the label of a Tic Tac box. With a slight wave of your hand, the label visually turns into a miniature package of Tic Tacs!

**Riptac 2.0** This time you rip the tab and, with no funny moves, all is fused together again! A very quick trick you can do with the Tic Tac box.
