

Turn by Alfred Dockstader - Video - DOWNLOAD

Here's an insanely visual restoration!

Show an open package of candy (cough drops, etc.). With a swift wave of the hand, the package is instantly sealed! Looks incredibly magical!

- No cover, no difficult moves
- Allows you to hand out real candy
- The gimmick used is removable
- Hand the package out for examination
- Advance handling included

Download the video and learn this amazing feat of magic!
