The Social Prediction by Debjit Magic - Video - DOWNLOAD

The Social Prediction has fooled the best minds in mentalism and now Debjit has finally decided to share it with the magic community. The video and PDF cover 2 revolutionary impromptu techniques to predict ANYTHING weeks, months, or even years, in advance!

Imagine asking someone to think of ANYTHING. They open your Facebook profile from THEIR phone and see that you had already predicted it MONTHS ago!

The effects can be performed live or over phone calls, messages, Skype and radio. They can also be used to predict the winners of the World Cup or ANY event on social media. And it's the best way to promote your Facebook page!

- Perform impromptu anytime, anywhere
- Spectator can check the prediction from any smartphone (Android, iPhone), computer or tablet
- No gimmicks, voice recognition device, special software or apps
- No sleights, fishing, forcing or dual reality
- You only need a smartphone (Android, iPhone), computer or tablet to perform

What you receive:

- HD video of 35 minutes covering 3 methods, 4 live performances and 10 presentation ideas

- 2019 updated video
- PDF guide book
- Access to the private Facebook group
- 24/7 support from the creator

Once you learn **The Social Prediction**, you'll be performing it for the rest of your life. And because it's so easy and impromptu, you'll be turning to it anytime you need a knock-out mentalism effect.
