

The Vault - The Magic Man Project (Volume 1 Rubber Bands) by Andrew Eland - Video - DOWNLOAD

In this electrifying new HD download series, Magic Man shares two of his favorite rubber band routines. These are two real-world routines that he has been performing for over 20 years - refined and tweaked through thousands of performances in every environment possible!

You will learn:

- The Boomerang Band routine
- A mini rubber band routine including Magic Man's unique presentation for the Crazy Man's Handcuffs

These are real world, in-the-trenches routines that have been audience tested and perfected!

Full HD | Full live and in-studio performances included | Real world magic | 1 hour

"Magic Man turns the Boomerang Band into an absolute gem of an effect - this is a crowd gatherer that you will use!"

- Bryan Miles

"Exceptional, forged in the fire, real world routines!"

- Bro Gilbert

"I recall seeing Magic Man busk at the V & A Waterfront in Cape Town years ago...his presentation of the Boomerang Band is something I have never forgotten! I'm glad he is finally sharing this routine with the magic community."

- Rodney McCormick

Who is Magic Man?

Magic Man is one of South Africa's best kept secrets. Magic Man has been touring North America, Canada and Asia for the past 20 years building an impressive list of achievements. From the Rolling Stones at the Sticky Fingers restaurant in London to the wrap-up party in Vancouver for U2's Zooropa Tour, Magic Man has entertained the finest!

He has worked at the Edinburgh Festival and headlined at top nightspots across Europe, Canada and South Korea. Combining unbelievable sleight-of-hand with his unique sense of humor, Magic Man can keep any room enthralled with wonder for hours!
