

The Visual One by Yuxu - Video - DOWNLOAD

The Visual One is an amazing, impromptu routine of coin magic. The jumbo coin vanishes and reappears several times, each time even more mystifying. Audiences are stunned!

Besides learning this routine, the digital download includes:

- Modern and visual coin productions.
- 10 beautiful coin moves.
- No gimmick.
- Brand new Jumbo Change (in the Stand Up version).

Download the video and learn this great routine!
