Duragoun & Optimus Display by SaysevenT - Video - DOWNLOAD

Many of us enjoy performing Card Flourishes because they are a challenge to display. They look cool, and audiences even take videos and photos to capture the moment.

Great Card Flourishes will never die! As evidence, so many performers are inventing amazing moves.

Now, let me introduce you my special series of moves -- **Duragoun & Optimus Display**.

This is cardistry that enables you to look like a dragon, and Optimus Prime makes your hands an important part of the display!

Features:

- 10 minute explanation
- Non-verbal explanation
- 2 angle view explanation
- Intermediate skill requirement (medium)

NOTE: This is 100% FUN! Don't forget to be happy...
