

The Man Who Would Be King by Andrew Normansell - eBook - DOWNLOAD

Magicseen is pleased to announce the release of an eBook featuring the magical thoughts and routines of pro entertainer, Andrew Normansell, called **The Man Who Would Be King**. Readers of *Magicseen* will be familiar with Andrew, as there have been a couple of features on him and he has also appeared a few times answering questions in the Close-up Clinic.

Now Andrew reveals the secrets of his commercial success by recounting his life story so far. He gives readers excellent food for thought in a section called Devil's Advocate, in which he passes opinion on all manner of magical themes. Finally, he also gives full details of 28 of his pet routines for close-up, stand up and mentalism.

Everything Andrew does is geared to commercial performance and his methods are delightfully straightforward. This eBook will be of interest to anyone who aspires to the performance of commercial magic.
