

The Magic of Michael Skinner by Paul A. Lelekis - Mixed Media - DOWNLOAD

Many have said that Mike Skinner was the greatest magician of all time! Included is a *Forward* by my friend and Skinner's best friend, John Carney!

The *Introduction* provides the reader with an in-depth look at Michael Skinner, his ideas, his 'timing,' his mannerisms, his choices of tricks, and the grave mental illness that he possessed.

Learn many REAL secrets that Paul learned from his correspondence with Michael Skinner, many years ago.

Giant Coin - Learn a beautiful coin routine with nuances no one has ever thought of before!

Mona Lisa Card Trick - This was Skinner's favorite trick to perform... simple to do, elegant, and totally baffling!

Torn & Restored Paper - A four stage routine that keeps getting more impossible!

Thought Projection Pack - An ingenious routine by Skinner that allows you to read the thoughts of two different spectators!

Business Card Prediction - This is NOT what you're thinking! This is Skinner's personal handling of a classic of magic!

Fechter's Hanky Force - This ingenious force by Eddie Fechter was a favorite force by Skinner!

Altman's "7" Location - This effect is so clever you will FOOL yourself! A truly brilliant effect!

BONUS! James' Miracle - Learn a Stewart James ESP routine that Skinner loved to perform because of his love of James' genius!
