The Vault - PUZZLE by Rizki Nanda - Video - DOWNLOAD

There are hundreds of sleight-of-hand moves to make a card disappear, but not everyone is capable of performing these crazy moves. This is why **Rizki Nanda**-the creator of multiple phenomenal magic products **JumpInk**, **Propel** and **Decode** -- has created **PUZZLE**.

PUZZLE gimmicks allow anyone to vanish any card seamlessly like a pro. The best part is, the audience can examine everything.

What you will receive in this download:

- Clear instructional video of how to use the gimmick by **Rizki Nanda** himself.
- A full routine. How to make the selected card reappear sandwiched in-between the Jokers in the deck.
- A template to build your own puzzle card.

Download the video and learn **PUZZLE**!
