

## At The Table Live Lecture Kyle Purnell July 3rd 2019 - Video - DOWNLOAD

**Kyle Purnell** is a unique force in the magic community, creating practical methods and engaging effects with the close-up worker in mind. His current creations have gained widespread distinction from some of the most well-respected names in magic. Kyle is the resident magician at "The Grand Illusion," the premiere magic-themed hard cider and wine bar located in Carlisle, PA where he performs strolling magic every week. In this lecture, Kyle goes over material he's never lectured on before, as well as updated and improved handlings for some of his already released material. You will find a variety of effects, with different items for all skills levels... Truly something special for everyone. Join us as we welcome **Kyle Purnell** for his lecture ***AT The Table!*** Here's what you'll learn:

**Snackman:** Kyle's full-view animation effect with absolutely no gimmicks and no cover!

**Verbl:** Your spectator doesn't stand a chance when you very SLOWLY link his ring to a rubber band. Completely impromptu.

**Timestamped:** A prediction system you can always carry with you on your phone. No social media or magic apps required.

**Promotion:** Kyle's first major contribution to the magic community. Visually change a SIGNED \$5 bill into a \$20... with the signature still across the bill.

**Mysterious:** Kyle's Mystery Card routine that requires no table and is perfect for the strolling performer.

**Calculator Cards:** A small packet of numbered cards change, add, multiply, and spell out the identities of selected cards!

**SM Vanish/Card to Wallet:** A signed card vanishes in slow motion and appears in your pocket or wallet.

**Duel ACAAN:** A 2-phase straightforward ACAAN routine structured to build up the climax for maximum impact.
