

DYAD 2.0 by Abhinav Bothra - Video - DOWNLOAD

An in-hand two card transposition with a surreal ending.

In the demo video, I am simply using two cards -- these can also be selected (forced) cards. The explanation video has a couple of methods for doing this.

In this download, you'll also learn the AMBIENCE CONTROL. It is an essential move for the in-hand two card transposition.

Running time: 13 minutes
