

Joy Cash by Agustin - Video - DOWNLOAD

Now you have ability to turn your deck of cards into a money printer.

Let the spectator choose a card, then you place it the middle of deck. Push it slowly and let them watch their card morph into money!

The best part is, you can immediately hand out the money for examination.

There is no switch. It ends absolutely clean.

You can use any deck, any bill. It's easy to make and fun to perform.

Download the video and start learning.
