

Classic Card Magic IV by Paul A. Lelekis - eBook - DOWNLOAD

This is the *fourth eBook Classic Card Magic I, II, and III*. Included are six more classics of card magic that will truly elevate your performances to another level! Look what's included!

THE KANNIBAL KARDS: This is probably the greatest and most entertaining routine of all time! The full routine, all sleights and all of the patter is included with a fantastic ending! Every magician should perform this excellent routine... it is truly a monster!!

BONUS! Learn the real deal of the Ascanio Spread! This important sleight scares some people... but Paul will teach you some nice finesses and a sure-fire method of keeping the 'hidden' cards from breaking - and it works... every time!

8 CARD BRAINWAVE: Nick Trost's greatest creation. Have a spectator think of any of a variety of eight cards and you prove that you knew ahead of time which card he/she would pick! Paul adds some really funny patter to make this entertaining routine a big hit every time!

4 ACE TRICK: This forgotten routine is a self-working "Spectator Cuts the Aces" by Martin Gardner that is a real 'gem'! The spectator does all the work and finds the four Aces! Easy to do and amazing!

PSYCHOTIC BLUFF ACES: An Ace assembly - the Aces "fly" to the leader position - then all of the Aces jump back to their original positions and the Ace of Spades at the leader disappears and all the cards change to Jacks!

I WOULDN'T LIE: A very cool principle of magic is exploited to produce an impossible Lie Detector Test... plus a comedic ending!

EX POST TRANSPO: A very nice blend of fairly easy sleights in conjunction with the above principle that will produce an unbelievable result.

This is a lesson in combining different sleights in different ways to produce a variety of outcomes that will amaze your spectators!

Download this eBook and learn these great effects!
