"**Patter Ideas and The Incomplete Faro**" by Paul A. Lelekis and Illustrated by Tony Dunn

"...it's hard to imagine another magician with the same combination of technique, entertaining skills and enthusiasm. As a personal side-note, his card magic has provided many sources of inspiration for my own thinking over the years, and I'm certain it will have the same effect on others."

- J. K. Hartman

Learn the rich 1,000 year history of the **Jacks (or Knaves)** and **King of Hearts...** and also learn **many excellent patter ideas!**

Learn their REAL meanings and excellent presentations to really "spice up" your card magic! **THIS IS SO IMPORTANT!**

In addition, learn Paul's awesome underground sleight, **The Incomplete Faro Transfer**. And with it, learn an **amazing trick - The INDICATOR! NO PERFECT FARO IS USED - it is easy!**

This underground sleight is brilliant and will "fool" the Pros! **The method is simplicity itself, yet the execution is diabolical!**

The INDICATOR seems to be impossible and you'll fool **everyone** at your next magic meeting!

You DO NOT need to perform a Perfect Faro - **ever** - with the **Incomplete Faro Transfer... or IFT.**

The Incomplete Faro Transfer is a true "magician-fooler"- and there are MANY, MANY tricks you can perform with it!

AND... It is easy to do!
