

DiSTORN by Arnel Renegado - Spielkarte wiederherstellen - Video - DOWNLOAD

DiSTORN is an effect where you ask your spectator to choose a card and restore it visually! From the mind of Arnel Renegado comes a gimmick that allows you to perform the above miracle right in front of their very eyes. Rip the card, then shake it slowly - your spectators will be amazed as it slowly and visually heals itself.

Download the video and learn **DiSTORN**.
