

The Gig Avalanche by Devin Knight - eBook - DOWNLOAD

Here's a method that will create a landslide of bookings that has never been described in previous books on marketing magic.

This is a new and easy way to get more bookings that works plain and simple. It will ensure you a STEADY stream of gigs week after week, believe it or not. This method doesn't involve cold-calling, Facebook ads, Google ads, newspaper ads, yellow pages, or using SEO on your websites; yet this proven method will normally get you more gigs than all the old methods combined! Try it and you will see. You will be amazed at how easy this is to implement. This method has not been extensively used by other entertainers; so they have left a pathway for buyers to beat a path to your door.

The method explained will show you how to greatly improve the number of gigs you get. Take advantage of this method now before it becomes so popular that all the other entertainers start doing it and you get lost in all the clutter. That could very well happen in the future; but, for now, few entertainers are using this system. This is not pie-in-the-sky or a pipe dream, but real practical information you can use immediately. So be a leader and not a follower. This information is worth many times the asking price.

This is not just for birthday parties -- it can be used to book a lot of those upcoming holiday parties.
