

My Favorites II by Paul A. Lelekis - Mixed Media - DOWNLOAD

Quote by **Jim Swain** - magician, author, and gaming expert

"Paul Lelekis is a real magician. He makes his living performing for laymen, and as a result, has a keen sense of what really fools a room full of people."

"His tricks are entertaining, fun to watch, and always pack a wallop! He's one of the most knowledgeable guys I know!"

"If you want to learn how to make a living doing magic, listen to what he has to say. You won't be disappointed!"

This is the sequel to Paul Lelekis' eBook - *My Favorites*, which has sold more eBooks than any of his 55 books! In this latest tome, **My Favorites II** - included are **five videos** of Paul performing the following:

Video #1 The Lelekis False Shuffle - A full deck, in-the-hands false shuffle. It's E-Z!

Video #2 "The Trick That Can't Be Explained" is performed and explained in full.

The editor of *The Linking Ring* mentioned that this trick was performed by more rings across the world than any in memory!

BONUS VIDEOS!

Videos #3, #4, and # 5 - Paul explains, with **three videos**, **The Simplex Bottom Reversal**, and **four different ways** that it can be used. See why magicians around the world are using this sleight...it is SUPERB!

Below are 9 more excellent "workers" that are real winners for any close-up, cabaret or even stage performances.

1) **Simplex Matrix Reversal** - This matrix is amazing! The four coins gather - then backfire to their original corners...instantly! This beautiful routine is so easy to do!

2) **Stunner** - A card is freely selected from a red deck and kept face down on the table. A blue deck is shuffled and then a spectator names a number between 10 and 20. The performer cuts a packet from the middle of the deck in just 2 seconds. When counted, it's *exactly* the number called out! THAT'S NOT ALL! When the last card is turned over, it matches the *chosen red-backed card*! This effect is a MIND-BLOWER!

3) **Rope-Through-Body** - Paul may well be the first to have performed this miracle! A rope is placed around his waist...then is **VISIBLY** pulled right through his body! Paul has had women flip out...one even **ran** out of the restaurant, screaming! NO LIE! This is **NOT** the method for the rope-thru-body found in any other book or video! Put the rope behind your back and then pull it right through...SLOWLY if you wish!

4) **Trapped!** - This started as a Marlo effect, but Paul took it a step further! After the two red kings trap the four Aces, the two Kings are placed aside. A card is selected and signed and placed into the deck. The two Kings are displayed, front and back, and placed on top of the deck. *With ABSOLUTELY NO MOVES and NO palming*, the Kings are spread to find the selection! This will even "**fry**" magicians!

5) **Silk To Egg** - Learn Paul's very clever take on this wonderful classic of magic! This effect is great "theater" from close-up to stage...and it is AMAZING!

6) **FD Ace Springer** - Learn Paul's very clever variation of a Steve Forte favorite. This is really easy to do...but the spectators will credit you with the skills of the Card Gods!

7) **Designer Card** - take a female spectator on a designer adventure at Saks Fifth Avenue...and create her very own, lucky designer card! Women LOVE this trick!

8) **Gymnastic Aces** - Learn Paul Le Paul's classic card effect that will "Wow!" your spectators as you make the Aces, ONLY, jump from the deck!

9) **BONUS! The Trick That Can't Be Explained** - See included video...and this is NOT the Vernon trick requiring "outs"...this is a self-working miracle...period!

PLUS 3 BONUS VIDEOS - Paul's masterful sleight, ***The Simplex Bottom Reversal!***
