Many thanks to my friend, Mike Powers, for granting Paul's readers access to his "MOVES" section inside Mike's website, **The Mall of Magic!** You will be provided with the website and **password** to watch many OTHER videos of sleights on Mr. Powers' newly upgraded website - in high resolution VIMEO!

Dingle's No- Lap Switch! You will FRY your fellow magicians with THIS one!

Learn *Additions, Subtractions, Transfers* and many other lesser known, but very important sleights!
