

Magic Variety Pack I by Paul A. Lelekis - Mixed Media - DOWNLOAD

"Paul gives us his personalized handlings from the repertoire of a worker. This is a bargain for anyone - as well as getting some great insights into the magic world of a real pro."

- **Marc DeSouza**

"I can't stress the value of Paul's eBooks, enough...magic learned the hard way - from customers looking for any reason to call his bluff. Paul introduces effects that make his customers become forever fans...and THAT'S the mark of a REAL performer!"

- **Rick Carruth of Magic Roadshow**

THIS is a **BONANZA** of magic - and begins with an Intro of **Performance Tips** which contains tips, hints, suggestions, notes, and the secrets of performance - all, very important!

Included are two videos of performances and explanations!

Magic with coins, ESP, cards, silks, bottles, topological problems... and MOST of these effects are impromptu!

22 MONSTER EFFECTS are included with an introduction explaining how a REAL Professional takes control and makes his or her spectators, in awe!

Included is a section of "Quickies", or quick tricks that appear to be "off-the-cuff", yet, will dazzle your spectators!

PROFESSIONAL TIPS is a section explaining how to bring your spectators, into your magical universe...*a must read!*

E-Z CARDS ACROSS - Paul's version is the *easiest* and most deceptive method possible...many pros now use this method.

CLOSE UP COLOR CHANGING SILK! This *new* method is SO CLEAN that your spectators will be stunned. The included patter is ridiculous - your spectators will laugh out loud!

ACCURATE PREDICTION (2 METHODS!) is ESP at its finest! This is SO fair that your spectators will be in shock.

TWO COINS is a coin routine with many, many revelations. Learn new sleights and dazzle your spectators!

E-Z TORN & RESTORED CARD - This is the easiest T&R that you can perform...yet *it is every bit as strong* as the others.

WINE BOTTLE PRODUCTION - You are going to love this powerful, easy-to-do routine. GREAT opener for table-side!

A COMEDY CARD REVERSAL - Paul has been performing this routine for 25 years...it is absolutely mind-blowing - and very, very funny! Instead of a card reversing, the **WHOLE DECK** turns face up...and it's easy to do!

DELUDED DUNBURY - Charlie Miller's Dunbury Delusion is a "staple" of the best card magicians in the world. Paul has provided a very easy-to-understand, step by step procedure. This routine will fool **EVERYONE!**

AN UPDATED MARLO MIRACLE - This is one of Paul's favorite tricks to perform and kept "underground" for many years. Paul has simplified Marlo's handling...but it is **EVERY BIT** as strong as the original routine...even stronger!

Important! This effect is completely broken down, step by-step, with notes, hints, and performance tips that you can use to improve every aspect of your performances, making you the *very best* performer possible for many routines!

QUICKIES - In between your longer routines, the **REAL** professional will "fry" brains with these quickie routines that will appear be "off-the-cuff". **THIS** is the sign of a true professional and these quickies are what your spectators will talk about, **LONG AFTER** your performance is complete!

12 quick routines plus a variety of performance tips and hints that will make you appear to be a *master of magic!*
