THAT'S IMPOSSIBLE! - The "title cut" from a Jack Avis effect. Marlo marveled at the genius of this effect...he LOVED it! This full routine features an impossible transposition of selections! , *The cards may be borrowed* AND signed by the spectators! This is devious! Wait until you see the ingenious method employed!

CHANGES - Al Leech (creator of *RED HOT MAMA*), presents a full-scale routine that will freak your spectators out! Imagine the four Aces, one-at-a time changing into the four Kings...then suddenly SNAP BACK into Aces! The four Kings are found face-up in the middle of the deck! There are NO thick multiple packet switches...this one is easy to do and the modus operandi is simplicity itself! BRILLIANT!

OIL & WATER - This ingenious routine (as presented and performed by Darwin Ortiz) is SO DECEPTIVE...even the *performer* won't know how it works! This is the best one out there and the *hilarious patter* makes this routine a pleasure to perform...and SO EASY TO DO!

TRAP & TRADE - J.K. Hartman's genius is on display in this fun routine! The four Queens are presented and the two black Queens are placed into the card box. A selection is then lost into the deck. The red Queens are sent to search for the rogue selection. The red Queens "capture" a card...which turns out to be *the two black Queens!* The selection is found in the card box! This is a masterful study of a brilliant plot!
