

## Portrait Choice by J.S - Video - DOWNLOAD

Here's a very magical effect that surprises and thrills your audience! Watch the trailer here to see the amazed reactions!

Everyone can easily make and use this gimmick -- this portrait effect doesn't use difficult technology.

- Download the image and make some cards in the card factory.
- You can use the image, as it is made with Photoshop. If there are no stickers for production, you can use the card instead.

Online instructions and PDF files of printable gimmicks are included in the download.

Download and learn this amazing effect!
