

The Vault - Da Vinci Vanish by Leonardo Burroni and Medusa Magic - Video - DOWNLOAD

The **Da Vinci Vanish** is here!

Probably one of the most incredible coin vanishes you've ever seen!

Imagine: Sleeves rolled up, no gimmick, nothing at all, only your two hands and a coin. The spectators can clearly see the coin placed in your hand, a magical gesture, and it disappears under their nose! With this vanish, you start clean and end even cleaner. Your hands and your wrist are completely empty after the vanish.

This is the **Da Vinci Vanish**, take a look at the trailer and you will not believe your eyes!

- Impromptu
- Ends completely clean with your hands empty
- No need to reset -- you can perform it immediately again
- Works with any coin

Detailed instructions will show you in detail all four phases to study to perform this incredible vanish!
