Time For a Change by Lee Alex - Video - DOWNLOAD

Since 2009 Lee Alex has presented his lecture "Time for a Change?" in more than 50 towns and cities, in 17 different countries worldwide. Magicians who perform in all branches of the art enthused at the lecture on the subject of quick change costumes for magicians. In collaboration with British illusionist Russ Stevens, Lee Alex now presents the information as a download.
Detailed explanations of the construction of the costumes
Explanations for dressing the individual costumes
Methods for performing the costume changes quickly and efficiently

The following five costumes are demonstrated and explained:

And so to bed - pajamas, bathrobe and slippers change to a full tuxedo.

One piece suit - a full tuxedo changes to a casual suit of contrasting color.

Two piece suit - a casual suit changes almost visually into the magician wearing cargo shorts and a short sleeved Hawaiian shirt.

Surf the Wave - the magician is wearing a short-sleeved shirt and cargo shorts. In a flash the magician changes into a white long-sleeved shirt and long black trousers plus the "Color Change Waistcoat".

The long and the short of it - the basic principle of changing from a short costume (with skin revealed) to a long costume is explained.

Bonus - The real secrets of the Color Change Vest: detailed performance explained for the first time showing the correct methods of this best selling magic item.
