

Challenge Cards by Watkins - Video - DOWNLOAD

If you've ever wanted a true challenge mind-reading routine that is easy and effortless, then Watkins' **Challenge Cards** is for you.

Imagine having your spectators challenge you to read their mind about almost anything, and you are able to fire back with a truly engaging, fun and epic reveal of their exact thoughts!

You then take that challenge a step further and they create a new challenge, which you address and take head on immediately!

All this and so much more is possible with this amazing **Challenge Cards** principle.
