Pocket Riser 3.0 - Rise and Change by Ralf Rudolph aka'Fairmagic Mixed Media - DOWNLOAD

After the card rises it changes instantly.

Pocket Riser 1.0 and Pocket Riser 2.0 have been feature creations of Ralf. These are effects he is particularly known for Version 3.0 goes another big step further by introducing a second totally visual climax. The card rises as in the earlier versions from a drawn packet of cards, and then suddenly changes.

The change is so fast and comes totally unexpected.
