

## T-E-S (The Empty Space) by Stefanus Alexander - Video - DOWNLOAD

Stefanus is back. Many effects have been created by him... like "Infinity Box", "Insert", "No Thing", etc.

Now, he has a new effect whereby you'll be manipulating your spectator's eyes.

Introducing his new trick, "**The Empty Space (T-E-S)**".

Show your spectator that there are holes in the card. After you perform a magical gesture, the card becomes whole again!

- Very easy to do
- Easy to make
- No black art needed
- Just enjoy!

Download the video and learn this effect!
