

Direct Mind by Ebby Tones Magic - Vorhersage mit Telefon - Video - DOWNLOAD

Direct Mind is a mentalism effect that will enable you to predict anything with your phone. It is easy to set up and it's a powerful demonstration of mentalism. It leaves audiences astonished!

Make predictions on your cellphone - these can include anything, such as cards, names, numbers, country names, cities, animals, etc. When the spectator mentions what they are thinking of, your prediction is found to be precise and direct!

This is the latest method of mentalism and prediction.

You can get it just by instant download. Download the video and learn!
