

The Vault - Three Card Monte by Henry Evans - Video - DOWNLOAD

A three card monte that will fool everyone!

The most straight forward three card monte on the planet. Hand all three cards out for examination at the end!

A truly impossible version of the Three Card Monte, which can be really appreciated only watching the performance video. One of the most famous routines from Henry Evans, with which he fooled and still fools the audiences and the magicians of the whole world. A true pearl which every magician should know.
