

Instant Artist by Luis Zavaleta - Video - DOWNLOAD

The magician shows a drawing pad with a blank paper on it, then, he puts that apart and begins to paint it from distance. At the last moment, he reveals now it has a nice drawing on it that he can give as a souvenir.

Perfect for stage shows and kids parties!

Use it as a final PREDICTION made with magic

Give it as a souvenir!

Very easy to perform!

No magnets or electronics!

Easy to make!

You will be ready to perform within minutes!

Note: The wooden easel you see in the video has nothing to do with the effect. No easel is needed!

It comes with 8 different drawing templates you can choose!
