

BALL IDEAS by Luis Zavaleta - Video - DOWNLOAD

Learn some cool ideas with BALLS

LEARN SOME COOL ROUTINES WITH BALLS:

This video is the result of ten years of work doing ball manipulation.

- **Classic routine:** Using the standard multiplying ball set and some cool techniques.
- **Clown routine:** Using the clown's nose and some confetti.
- **Impossible color change:** A ball changes in a very visual way. Using two balls (red and white) and two gimmicks.
- **Color change routine 1:** The ball change it's color, other colored ball appears, change it's color and finally other two colored balls appear.
- **Colored balls with handkerchief:** Very nice routine with one silk handkerchief, one ball with 3 gimmicks and a lot of confetti. Perfect for kid's shows.
- **Ball routine:** A nice routine using just one ball, a silk handkerchief and some confetti. Learn new techniques I created and some classics.
- **Color change routine 2:** A ball changes it's color 3 times, then becomes 4 balls and finally transforms into confetti.
- **1, 2, 4, 1, 0 balls:** A cool routine using two ideas, a very practical gimmick and a very old principle. Perfect for social media
