

Money, Money, Money by Ferran Rizo - Video - DOWNLOAD

The old-fashioned magician takes from its wallet four credit cards that place clearly on the table. Then he reveals that under each card is a coin. The four coins are staked on the centre of the table. He takes a tube made of dollar bills and cover the pile. Magically the coins one by one are send back to the credit card. As a big finish the last coin transform into a golden one. And a bunch of golden coins appear under the tube. A truly visual and magical effect

Magic for the serious student. You will learn all the routine details
