

## **The Great Escape by Ferran Rizo - Video - DOWNLOAD**

This fantastic effect is a version of Larry Jennings' Mystery Card done with coins a truly miracle as the magic happens on spectator hand. You show two silver dollar. Then a penny that is marked to verify its identity. Also, an empty Okito Box. The penny is placed between the silver dollars. One by one the coins are place on the hand of a spectator and the hand closed. Then the Okito Box is one more time show empty and closed. After a magical movement the spectator open the hand showing that there is only left two dollar and no trace of the penny. When spectator open the Okito Box the coin is inside

You will be able to perform the effect without an Okito Box, just simply placing the penny on the pocket. The spectator can remove from it, showing that inside there is nothing more than the signed penny

Magic for the serious student. You will learn all the routine details
