

## **Magic Encarta Presents - NYC Change by Vivek Singhi - Video - DOWNLOAD**

The **NYC Change** is an extremely easy to do visual color change of one card into another. The **NYC Change** can be used not just as a color change but also helps you use it as an Ambitious Card effect! The move is so instant and fast, with a action of just squaring the deck or rubbing the finger on the card, it changes instantly.

No gimmicks, extremely visual and easy!
