

## **Mystical Float by Esya G - Video - DOWNLOAD**

**MYSTICAL FLOAT** is a very visual way to bring a watch into play. Watch when the body of the clock is balanced in your hands and then float slowly and visually briefly pass to the waiting hand. Watches can be distributed immediately.

You do not need to use a thread, without strings, no magnets, no reel because this is specially designed using a unique method.

Full detailed instructions on how to do this very simple effect, and this gimmick is also easy to make.

So what are you waiting for, download and learn it now!
